2007-2008 BOAT STORAGE

As of this date, 10/22/07, there has been no solution to the boat storage situation. Any further updates should be obtained from Carol Leonard, the Legal Director. David Crow of DSL Marine has indicated that he will make storage available for former LOHA storage folks at a good rate. He can be contacted at 248-894-0086. Another resource is Bob Bambach (248-981-7903). He charges \$1.00 a day.

THE LOHA WEBSITE IS IMPROVED

Thanks to Bethany Neldrett we have an updated website <LOHPA.com>. Check it out. E-mail her LOHA photos at webmaster@lohpa.com.

THESE ARE THE PEOPLE WHO LIVE IN YOUR NEIGHBORHOOD

Barb Matousak has lived on Aquarina since 1971. She moved from Detroit. She was the woman who planted and took care of the flower gardens down at the beach. Each morning she would go down and water the flowers by bringing buckets of water up from the lake. Between hauling water she swam in the lake, unless the swans were in the swimming area. She did this for 20 years. As a young woman she had Polio. She recovered, but has been affected by Post Polio in her later life. She misses gardening. Her son lives with her and helps her out. The Women's group gets her to meetings

Mary Lou & Don Osborne came from W. Virginia. In '52 he came to MI to go to Radio Electronics School. In '54 he was drafted into the Army. Mary Lou left college after 2 years to work. When Don was discharged he returned to WV and married Mary Lou. That day they rode with Don's brother to MI. They had no car, money or home. Don worked at Chrysler among other places before going to Pontiac Motors. Although he had no drafting classes he advanced to Design Supervisor. He retired in '96. Mary Lou worked as a teller and a magazine editor at OCSC for a combined 27 yrs. They moved to Aquarina in '67 with a son, Jim. A daughter, Joni, was born 9 months later. They both were active in scouts, school, fraternal organizations, LOHA and church. Mary Lou has held various roles in the Women's Auxiliary. Don was both treasurer and president of LOHA. They remember the smelt fry parties in the sub. They continue to have an active interest in the sub.

2007 Highlights of the Women's Auxiliary

The 50th year anniversary of the subdivision was celebrated with a DVD showing of the activities between 1971-1982. They also provided a special cake and refreshments for the Regular LOHA Meeting on Sept 25. In October, 15 members realized \$117.00 from a successful and entertaining auction. This will be used for a charitable cause this holiday season. If you know of anyone in the sub who could use a special Christmas, contact May Lou (674-3690) by 11/12. Last year the Auxiliary donated to the "Cloth-a-Child" program sponsored in four elementary schools, including Grayson. Dates for upcoming activities are on the calendar. Any woman member of LOHA is invited join the group. Come and get acquainted with us. Call Mary Lou or Pam 673-1802.

A free '81 black/white laser printer, compatible with Mac & Windows, is available. Call Dorothy after noon at 674-1369.

HOMEOWNERS BEWARE

Upon returning from a two week vacation last week, Tom and Terry Schulz discovered that someone had stolen their solar lights from the backyard. Asking their neighbors if they noticed anything, Tom found out, that during the same time frame, solar lights were stolen from across the street. Both parties have filed police reports with the township. Maybe it is time to try and start a neighborhood watch. There used to be one some years ago. There was a "For Sale" sign vandalized in the same vicinity as the above and during the same period. If you've experienced any vandalism, thefts or noticed any suspicious activities please report them to the Waterford Police. The police indicated that with numerous reports, the potential for increased patrol may occur. At a meeting it was mentioned that a car & a truck were canvassing the sub and school property. Such news will be printed.

The LOHA Newsletter is made available in print through Rev. Parks and the Church of Christ.
