2007-2008 BOAT STORAGE

Due to the uncertainty of LOHA's ability to continue with the boat storage process at the beach that we have had for numerous years, I recommend that all persons who store their boats at our beach make "tentative" arrangements at other facilities for this coming winter. Some other storage lots do fill-up and I don't want folks to be caught without a place to store their boats. The situation is unfortunate, but does exist. As soon as we know the outcome from our legal rep, notices will be sent out.
Regards,
Tom Schulz
LOHA Beach Expediter

TOM'S THUMB

Thumbs up to all concerned residents who participated in the survey concerning the use of the pavilion at our beach.

Thumbs down to the folks who chose not to become involved in their sub's most valuable asset, THE BEACH.

THESE ARE THE PEOPLE WHO LIVE IN YOUR NEIGHBORHOOD

Ed and Fran Amos who have been married 51 years bought their lot on the island in 1964. Building the house was a joint job between them and a builder. They moved in 1966. Ed was the Fire Chief in Pontiac before he retired and then spent 8 years working at Pontiac Osteopathic Hospital. Fran worked for Ma Bell for 35 years. She spent 8 years as a Commissioner and is in her 3rd term as the State Representative for the area. Ed remembers taking a bus from Waterford Village into Pontiac to go to the movies. Fran and Ed reared 2 children here who continue to live in the area. Fran said that her children are grateful for the opportunity to grow up on the lake. The neighborhood kids spent many days on the water. Ed remembers one of the neighbors trying to attach a toilet to Merle Coyle's chimney.

Tom & Terry Schulz bought the home on Embarcadero in 1981. She previously lived there from 1963-1970 with her parents, the Ewings. Terry babysat for the Amos, Ish and Ashley's children. She met Tom in 1969 at a party in the sub and married him in 1970. Their children had the advantage of growing up on the lake before they moved in. Terry said that the July 4 fireworks were shot off from the LOHA beach for many years. Terry retired this spring from GMAC Mortgage where she was a National Corporate Trainer for sales and operations. Tom retired in 2005 from GM. Terry is this year's weekday beach attendant. She hopes that she brought good will to the residents. Both she and Fran would like to see a strong sense of community.
