## THESE ARE THE PEOPLE IN YOUR NEIGHBORHOOD

### **YOUNG PEOPLE IN THE SUBDIVISION and SOMEONE IMPORTANT**

**Kimberly** Woolslayer has lived on Aquarina all her life. She was born in '93 and is a **9<sup>th</sup> grader at Mott High School**. She also attended Grayson and Mason. She plays in the Mott Marching Band and is in the Brass Choir. Her favorite subjects are math and band. Kimberly also likes to read and write stories. She likes living close to the lake and the quiet of the neighborhood. Kim thinks that more teens would use the beach if the Weenie Shack opened in the evening. She said that a teen club would be nice.

**Brian** Campbell has also lived on Aquarina all his life. He was born in '92 and is in the **9<sup>th</sup> grade at Mott HS**. Brian is on Mott's JV Bowling Team. He recently bowled a 200 game. His favorite subjects are social studies and gym. He has been in the Scouts since 1<sup>st</sup> grade and is working towards Eagle Scout. He likes the neighborhood early in the morning (5:30-7:00am), when it's really quiet. Brian would like to see a water slide back in the lake. He is also interested in a function for teens down at the beach.

**Randy** travels the subdivision daily - come cold, heat, rain or snow. He is the smiling regular **mail carrier** for the subdivision. He says he's been delivering the mail here for close to 10 years and has gotten to know many of the residents. He has worked for the United States Postal Service for 27 years. He loves to play golf in the summer and go snowmobiling in the winter. Yes, he loves the snow, but not in front of the mailboxes.
