#### **MEMBERSHIP DUES WERE REDUCED FOR THIS YEAR ONLY**

Dues are payable at the Tuesday, April 28<sup>th</sup> LOHA General Meeting. It is to your advantage to join this year and avoid the \$75. Initiation Fee, which goes into effect for 2010. Pay at Apr. 26<sup>th</sup> meeting. We would like to see all the residents join and enjoy the beach activities planned.

A Notification to Residents  
1. Crossbow arrows were found in a neighbor's yard on Shoals.  
2. Complains were made about an airsoft gun being used on beach grounds.

## THESE ARE THE PEOPLE IN YOUR NEIGHBORHOOD

**Pam Pope** is LOHA's Social Director. She's held that role since '96 with only a two-year sabbatical. She's been a member of the Ladies Auxiliary since '93 and the President for 12 years. She moved to LOHA with her family from East Pointe in '92. Her husband, Rick, is a Respiratory Therapist at Huron Valley Sinai. Their son Bryan is a student at OCC and other son, Joe, is in the 8<sup>th</sup> grade at OLL. Pam has worked at Grayson in the cafeteria for the last 6 years and works part-time at Guest House. Pam likes developing community by bringing friends and neighbors together to have fun at reasonable prices. She is

encouraging residents to join LOHA and to volunteer as a way to have lots of fun. See this year's schedule. She is trying to plan activities for all age groups and interests.

**Darryl Moore** has lived on Breaker for 15 years. He is the man you see down at the beach with a camera, photographing the people and activities. He has a background in photography, art and music. He was a part of a band called Joust. He worked with senior citizens for 18 years in an adult care setting. Now he is a senior citizen. He says that the people in the subdivision are warm and friendly. There's a nice mixture of ages here. He sees fewer kids outside, unless they are down at the beach, than when he was a kid. He acknowledged that there are many engineers, self-employed people, business people, crafts persons and hard working people living in this subdivision. The focal point of the area is the lake. He says that it sure has some real medicinal value in providing a soothing feeling. People at the boat docks are friendly and helpful. He's glad that he hasn't had to ask any of them to tow his boat from the lake.

**THUMBS UP** to all the residents of the subdivision who will join

Lake Oakland Heights Beach Association in 2009 so that they can enjoy the beach and all the activities planned for this season.
