CONGRATULATIONS TO THE WINNERS OF THE CHRISTMAS DECORATING CONTEST

- BEST WINDOW** – JUDY GOINS on Embarcadero
- BEST THEME** – GAIL & JERRY CHAMBERLAIN on Levee
- BEST OVERALL** – ROSEANN & TOM MAY on Main

THOSE ATTENDING THE **LOHA CHRISTMAS PARTY** HAD A GREAT TIME. THERE WAS PLENTY OF FOOD. SANTA MADE AN APPEARANCE AND TALKED TO THESE CHILDREN.

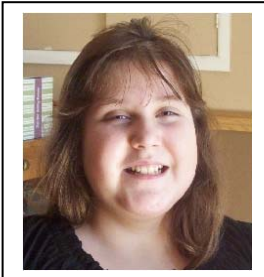

THESE ARE THE PEOPLE IN YOUR NEIGHBORHOOD

Jim and Paige Williams live on Embarcadero. They were married in 2006. Jim has lived in the sub for 7-8 years. He is a software engineer. Jim and Paige enjoy water-skiing, swimming, cross-country skiing and roller blading. You will probably see Jim swimming the beginning of May. Paige didn't join Jim in the Polar Bear Water Skiing Event Dec 5th. Jim said, "It was colder than he expected, but more fun than he expected." His friend, Terry Nardone, who lives on Lake Oakland, joined him. Both are members of the Ski Demons, a water ski club that Rich Kniffel got started. Jim said that there were 90 skiers for the event in 2009,

whereas there were only 17 skiers in 2008. This is a benefit for the American Diabetes Association. Skier's Pier sponsors the event. They provided the boats, drivers, dry suits, food and warm water for freezing hands. Jim has invited me to join him next year. He said that the water temp was 41 degrees. Maybe some other water skiers who live in the sub will participate in 2010.

Nicole McClelland lives with her family on Levee. She is 11 years old and attends Mason Middle School. She is featured in this newsletter because she was a volunteer at the Desert Angels Packing Party in early December at the Sportsmen's Club. Besides donating some of her favorite Beanie Babies for the Military to hand out to children in war torn countries, she helped package cookies and opened boxes of snacks to be divided among the boxes being sent. She liked helping out, even though she doesn't know anyone in the military. Her Mom was instrumental in getting around 200 Beanie Babies donated along with boxes of food. Nicole likes playing on the computer, swimming, camping, fishing and

archery. She is pretty good with her bow. Nicole is looking forward to summer when she can be outside more. She is grateful for the steps and railing going into the water at the beach. She would like to have a slide in the water, but understands the problems.

OUR SYMPATHY
