EASTER EGG HUNT WAS A HUGE SUCCESS

THESE ARE THE PEOPLE IN YOUR NEIGHBORHOOD

Tim and Terissa Daly have lived on Embarcardo for 25 years. They bought the home from Terissa's parents, who lived there for 5 years. Both Tim & Terissa are graduates of Waterford Schools. Tim graduated from Waterford Twp. HS (where Kroger now exists on M59 & Crescent Lake Rd.) in '72. Terissa graduated from Kettering in '73. Terissa also went to Grayson Elementary, as did their children and now their grandchildren. Their daughter Nichole and her husband recently purchased a home in the subdivision. Tim is a communication field technician. Terissa is a vocational counselor with Michigan Vocational Rehab. Tim and Terissa met at a wedding in '73 and were married in '74. They reared two children, Nichole and TJ, here. Nichole and TJ each have two children. The youngest for

each is one year old and are only two weeks apart. Tim and Terissa enjoy taking them and their siblings down to the lake. You can see the whole family parading down to the beach. The Daly's house is full of toys for the two toddlers as well as the two older grandchildren. Living by the lake and having beach and boat access has been a plus for this family. Tim and Terissa also enjoy golfing, boating and the beach activities. Tim is vice-president of the Association. He has held this position before, as well as those of president and expeditor. Terissa has contributed as secretary and treasurer. They stated that the good neighbors that they have are also valued.

Raffle prizes are needed for this summer's beach activities. We will provide free advertising for you and your business. Call Carolyn (673-5347) to donate.

New boat docks will be installed shortly. Raising the prices of boat slips over the past few years enabled the Association to purchase them and have the old docks removed. This year the cost of a slip went down by \$100.00 to \$200.00. Watch for information about a boat dock party to celebrate this event.
