THESE ARE THE PEOPLE IN YOUR NEIGHBORHOOD

Paulette & Lee Howell have lived in the sub since 1975. They moved here when their 2 sons were 3 & 7. Their son, Jim, lives in N. Carolina and Joe lives with them. You will often see Lee walking and Joe riding his bike when weather is good. If you are outside, say "Hello" as they like to meet new people. Lee & Paulette met in Saginaw in 1966 and were married in 1968. Paulette was from Bay City and Lee was from Owasso. Lee, as well as Jim, are graduates of Ferris. Lee worked as an Insurance Claims Supervisor & as a Private Detective. He fully retired in 2010. Paulette has an Associates Degree in Mental Health,

which has served her well in her various roles. She is Chairperson of the Appeals Committee for Oakland County. She's a Community Health Advocate for people with disabilities. Paulette also trains people to monitor group homes. Both Lee and Paulette have been active in LOHA, serving on the Board of Directors. Paulette was Secretary, Legal Director and the 2nd woman President. Lee served as Vice-president in the 70's and again this year. He also served as Expeditor. With the help of other residents he has improved the beach, which included the steps and handrail to the lake. Paulette was involved in Keep America Beautiful in 1976, the year of the Bicentennial. She helped the teens paint the fire hydrants red, white and blue. The July 4th activities that year lasted many days. Residents watched parachutists landing on the lake and the Ski Club performing by the beach. Lee has been an enthusiastic table tennis player and ranked in the top 40 of the state's table tennis players. He'd like to see a table tennis exhibition down at the beach. He's played against the 5X National US Champion. With his son Jim, he also won a doubles tournament. Anyone having such a table and willing to lend it out could contact him (673-8989). Lee, Paulette and Joe like to be out on their boat in good weather. The Howells believe that they should give back to the community.
