NEW FACILITIES AT THE BEACH

We're starting a new summer season and we are currently involved in some new projects at the beach. They include a new volleyball court, new horseshoe pits, badminton area, and bocci ball courts. If you are using any of the courts, the equipment such as horseshoes, volleyball, badminton racquets, etc. will be at the Snack Shack. Equipment can be checked out there and must be returned after use. Activities at the beach will be posted at the beach. We will be having work done at the entrance to the pavilion the week after Memorial Day to attempt to correct the water flow problem from the parking lot to the beach.
