The address for the beach property has been posted on the beach sign at the property entrance and on the Weenie Shack. It is 3826 Mariner. This is so that emergency personnel can locate the premises.

## **OPEN BOARD POSITIONS FOR 2015-16**

There will be open Board Positions for the coming year due to moves and work changes. The age range for active persons is 56-85. We definitely need young and energetic people to take on some of these roles. Please call Lee Howell (673-8989) to say that you are interested in a position.

## **HANDICAPPED PARKING**

The handicapped parking area will be strictly enforced.

## **KAYAK STORAGE RACK**

The Board is considering installing a kayak storage rack on the property if there is enough interest. Anyone interested in such storage is encouraged to attend the General Meeting on Tues., Sept. 29.

## **BOAT REMOVAL FROM THE LAKE**

Anyone needing to have the gate unlocked to remove their boat from the lake can call any of the following persons, Lee Howell, Don Swanson, Bob Majka or Jerry Chamberlain. Phone numbers on the back.

## **WINTER BOAT STORAGE**

Again, we will only allow winter boat storage for members in the beach parking lot. We will attempt to deliver boat storage forms to all the members who stored their boats last year. Anyone who does not receive a form can obtain one from Lee Howell. (673-8989) or Jerry Chamberlain (673-8148). The fee for storage will remain at \$120.00. You must submit a completed form and payment to either, prior to or at the time of storage. You must identify your boat by writing your name and/or MC Number on the outer covering of your storage wrap. Any boats found stored in the parking lot that cannot be identified or the owner has not paid & submitted the form will be towed. Boats must be removed from the lot by May 1st, 2016. Any member who knowingly violates the above stipulations will not be allowed to store his/her boat the following year.

## **SPECIAL THANKS FROM LEE HOWELL**

I would like to thank all of the people who supported Lake Oakland Heights Park Association and helped out at the beach so that we were able to accomplish most of our goals this year. Special thanks to all of our Board members for their hard work and dedication.

**VICE-PRESIDENT, DON SWANSON THANKS** all the members who closed the beach this season.

## **SUSPICIOUS ACTIVITY**

Keep at eye out for suspicious persons or activity on the premises. Lock your car and the boat dock gate.

## GETTING TO KNOW THE PEOPLE IN OUR NEIGHBORHOOD

Justine Mooney, the son of Paul and Sharon Mooney, is the young man whom you see riding his bike in the subdivision. This summer he's also been seen down at the beach painting benches and playground equipment. In the morning he's down there cleaning up after the geese. What a job! Thank you Justin. Justin initiated the LOHA Facebook page. His name and email address are below.

He went to grade school at Waterford Village. He is a graduate of Kettering High School. Presently he is attending OCC and getting an Associates Degree in Liberal Arts. After completing his degree he plans to attend Oakland University and major in history. He also works at Tenutas. Although Justin moved into LOHA in 2013, he spent many days on

Mariner with his grandparents, the Salfis. His mother and Uncle Larry (Gwin) grew up in the sub. He so appreciates the multi-generational neighborhood. He likes that children who grew up in the subdivision return as adults to rear their children here. His previous neighborhood in Waterford was more transient, as families saw the homes as starter homes. He enjoys being down at the beach and would like to start fishing. He used to fish with his grandfather, Anthony. Even though Justin loves this area, his dream is to live on a few acres in a small town.

These people enjoyed that last senior lunch at the beach on August 27<sup>th</sup>.

### Our Congratulations to Bob and Diane Majka, who live

Aquirina, on their 50<sup>th</sup> Wedding Anniversary, Aug 21.

### Happy Birthday to Edna and Paul Pointer, who live on
