

LOHPA GUEST RULES AND REGULATIONS

Revised 2017

1. Non-member guests at Lake Oakland Heights Park must be accompanied by a member at all times.
2. The member hosting guests will be responsible for the guests following all of the beach rules and regulations, especially the rule not allowing glass beverage containers on the premises.
3. A member (household) is allowed to have a total of six (6) guests in the park area at any one time without payment of any additional fees.
4. For any and all guests exceeding six (6), there will be a fee of \$2.00 per guest.
5. Payment for any guests over six should be made to the beach guard on the date the guests are present at the Park. It is up to the member and the beach guard to agree upon the number of guests for whom the \$2.00 fee shall be paid.
6. Under no circumstances will any one member or household use more than one-half of the pavilion to accommodate guests on any given date.
7. Tables outside the pavilion will not be moved inside the pavilion to accommodate guests.
8. Guests must be directed to park in the extra lot at the discretion of the beach guard.
9. L.O.H.P.A. reserves the right to limit the total number of guests allowed in the Park area on any given date. Thus it is important that a member does notify L.O.H.P.A. if they intend to have over 20 guests at the Park on any given date. This is intended to protect both the interests of L.O.H.P.A. and the members and guests.
10. The beach guard has the authority to request that any guests (or member) leave the premises for unruly behavior or failure to adhere to the beach rules and regulations and, if necessary, to contact the proper authorities in any person fails to comply.
