OUR SYMPATHY GOES TO THE FAMILIES

of Donna Fons on Aquarina on the passing of her husband of over 40 years, Joseph "Bud" Fons.

of Tony Bertapelle on Breaker St. and the passing of his mother.

In Oct 2021, a resident walking around the block smelled gas outside on the sidewalk and called Consumers Energy. They had a truck on Shoals within the hour and found a leak under two lawns with a serious amount of gas collected under the street. Trucks with Vapor Extraction equipment were running for over six days to remove the underground gas. Workers urge residents to please call them even if you only think you smell gas. Let the experts check it out for everyone's safety.

Thank you!

HAPPY 65TH ANNIVERSARY DON & MARY LOU OSBORNE

We would like to wish Don and Mary Lou Osborne on Aquarina a very Happy 65th Anniversary (September 30th)!! They've lived in Lake Oakland Heights for 56 years. One of their biggest accomplishments in their 56 years in Lake Oakland Heights was spending the summers of 1972 and 1973 canvassing every neighbor so that the subdivision could have streetlights installed. Success! Because the streetlights were installed in 1973. Don was on the Board of Directors for 16 years (off and on), holding the positions of President, Treasurer, Legal, among others, and Mary Lou has been on the Board for 5 years. They are a very special couple and have made many friends while living in LOHA. Please join us in celebrating their love for each other!

Special thanks to our very own neighbor on Embarcadero St., **Sergio Alvarado**, and his hard-working crew for donating their labor for free to install our beautiful new cement walkway and brick pavers down at the Playground! Also, thank you to everyone who donated a brick. Without you this wouldn't have been possible!
