WATERFORD, MI 48330

March 24, 2024

Dear Lake Oakland Heights Resident:

We hope that this letter finds you and your family well. It is about time for the 2024 beach season to start. This letter is to inform you about the Park Association Membership. This year the **dues are \$110**. If a member of your household is 65 years of age or older, your household qualifies for the **senior discount of 20%** bringing the membership **dues to \$88**.

As an association member you will have access to the beach property, including the beach, playground, opportunities to make pavilion reservations, attending the members only events, and joining the association clubs. You will also have a vote in membership meetings to make the park a better place for all members.

Please review the attached sheets, as there is a resident questionnaire. **We ask that all residents regardless of whether they are joining the association to fill out and return the resident questionnaire.** This is for the board to learn the demographics of our neighborhood and find out what the membership would like to see at the park, as well as to learn what types of changes can encourage the 35% of the residents who are not members, to become members.

If your dues are received after May 31, 2024, you will be subject to a \$25 late fee. All payments received for incorrect amounts will be assessed as follows; If you pay more than your dues amount, the extra funds will be added as a donation to the association, and if you pay less than your dues amount, you will receive an invoice for additional amount owed and will not receive your membership card until that amount is paid. Membership cards will be distributed on Sunday after payment has been received by the treasurer.

Kind Regards,

Lake Oakland Heights Park Association Board of Directors
