Agenda for September General Meeting

- A Read and approve minutes of April 25
- B Board report
- C New Business

- 1. BOAT STORAGE
- 2. ELECTION of NEW BOARD 2023-2024

Winter boat storage at the beach will be \$150.00 per watercraft this year. Due to township ordinances, we are unable to accept applications for storage spots until October 1, 2023. A check for **\$150.00** made out to **LOHA MUST** be included with the application to reserve a spot. Put **boat storage** on memo line.

To continue to allow us to store boats at the beach, the Township mandated that the storage period must be within the time period of October 1 - April 30. Also, we can only have a maximum of 25 boats that can be stored in any one season. If either of those mandates are violated, it can invalidate the agreement, and not allow us to store any boats at all. Any boats left at the beach outside of that period will be removed.

ALL paperwork for storage is available by contacting Shawn Knedgen at 248-804-4060.

NEED LARGE STONES

Anyone having some large stones, can drop them off by the tree at the bike rack. The land on the boat side of the pavilion is being eroded and the stones will help to fill the holes and keep the land from eroding. No concrete.
